

Check-off List of Things to Do for Week 5

In order to be adequately prepared for classes next week, please make sure you do the following by:

Mon/ Tues class - September 23rd/ 24th

1. Come to class prepared to take notes as we start discussion on Chapter 2.
2. Watch the videos for Sections 2.1, 2.2, 2.4, and 2.5 (click above *Video's* button) before coming to class.
3. Print out homework sheets for Chapter 2 (click above *Homework* button) and bring with you to class so you can solve problems.
4. *Due at the beginning of class:* *Test #1*, and *Chapter 1 Homework*.

Wed/ Thurs class - September 25th/ 26th

1. Prepare for *Quiz #5*, "identifying" functional groups in other molecules.
2. Print out *VSEPR Lab* (click *Laboratories* button) and bring to class to complete.
