

Check-off List of Things to Do for Week 6

In order to be adequately prepared for classes next week, please make sure you do the following by:

Mon/ Tues class -

Sept 30th/ Oct 1st

1. Come to class prepared to take notes as we work to wrap up Chapter 2.
2. Watch videos covering Sections 2.6, 2.7, 2.8, and 2.9 before coming to class.
3. **Due at the beginning of class:** Completed *VSEPR laboratory*.
4. Have your *Chapter 2 Homework* available so you can ask questions and solve problems.

Wed/ Thurs class -

Oct 2nd/ 3rd

1. Prepare for *Quiz #6*, covering intermolecular interactions.
2. Print out and bring to class *Mayonnaise laboratory*.
